WHEN I FIX MY EYES ON YOU
(From the inside out)

When I fix my eyes on You,
Turning from all things untrue,
You change me Lord,
From the inside out.

You take the simple things I do,
Turn them into something new;
To glorify You
From the inside out.

*So take my life as an offering:
All I am is yours alone.
Holy Spirit, restore me.
Lord, I bow before Your throne.
Ev'ry breath, ev'ry thought:
Lord, take them and make them pure.
Please captivate, please captivate me from the inside out.*

I'm thirsty Lord, for more of You.
Please take me and mould me, make me new. (x2)

From the inside out, from the inside out,
You change me Lord, from the inside out.
