Blue moon
 You saw me standing alone
 Without a dream in my heart
 Without a love on my own...

Blue moon
 You knew just what i was there for
 You heard me saying a prayer
 For someone i really could care for.

And suddenly there appeared before me
 The only one my arms could ever hold
 I heard someone whisper, "please, adore me"
 And when i looked my moon had turned to gold.

Blue moon,
 Now i'm no longer alone
 Without a dream in my heart,
 Without a love of my own
 Without a love of my own...
