*Verse 2:*

From a distance, we all have enough,  
 And no one is in need.  
 There are no guns, no bombs, no diseases,  
 No hungry mouths to feed.  
 From a distance, we are instruments  
 Marching in a common band;  
 Playing songs of hope, playing songs of peace,  
 They're the songs of every man.  
 (To Bridge:)

*Verse 3:*

From a distance, you look like my friend  
 Even though we are at war.  
 From a distance I just cannot comprehend  
 What all this fighting is for.  
 From a distance there is harmony  
 And it echos through the land.  
 It's the hope of hopes, it's the love of loves.  
 It's the heart of every man.
