My joy,— my joy. So

I'd say to you,— can we talk for a while?— You'd say, 'It's all - right.'— When you

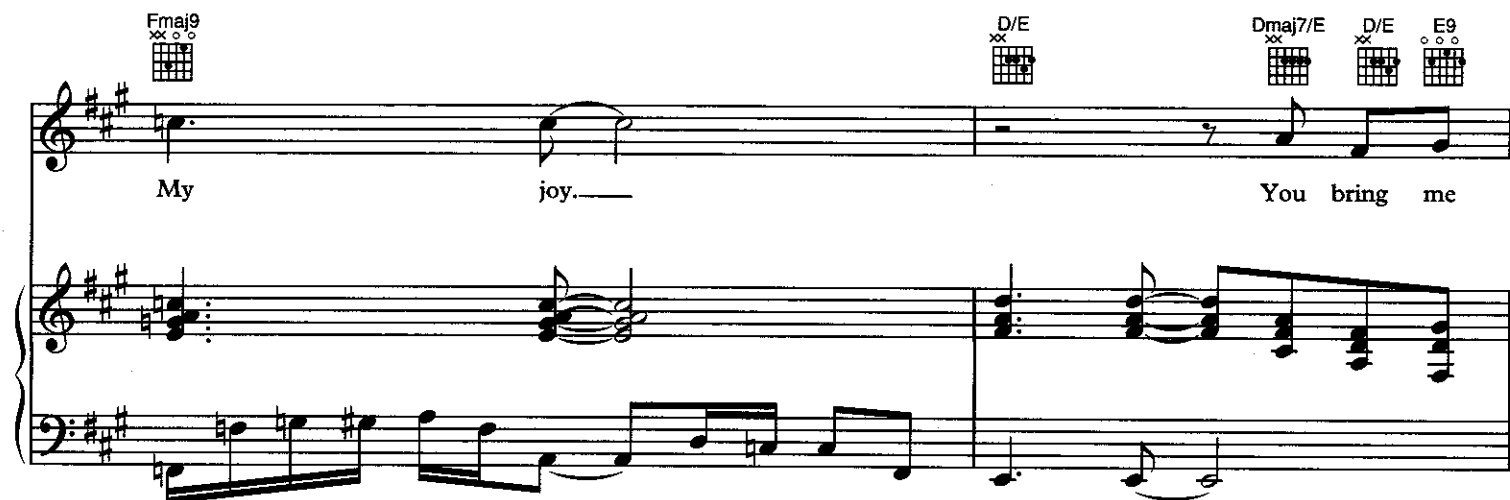

love me— I smile. I feel your hands, and you feel mine. You bring me joy.

My joy,— you're my joy.—

My joy.— You bring me

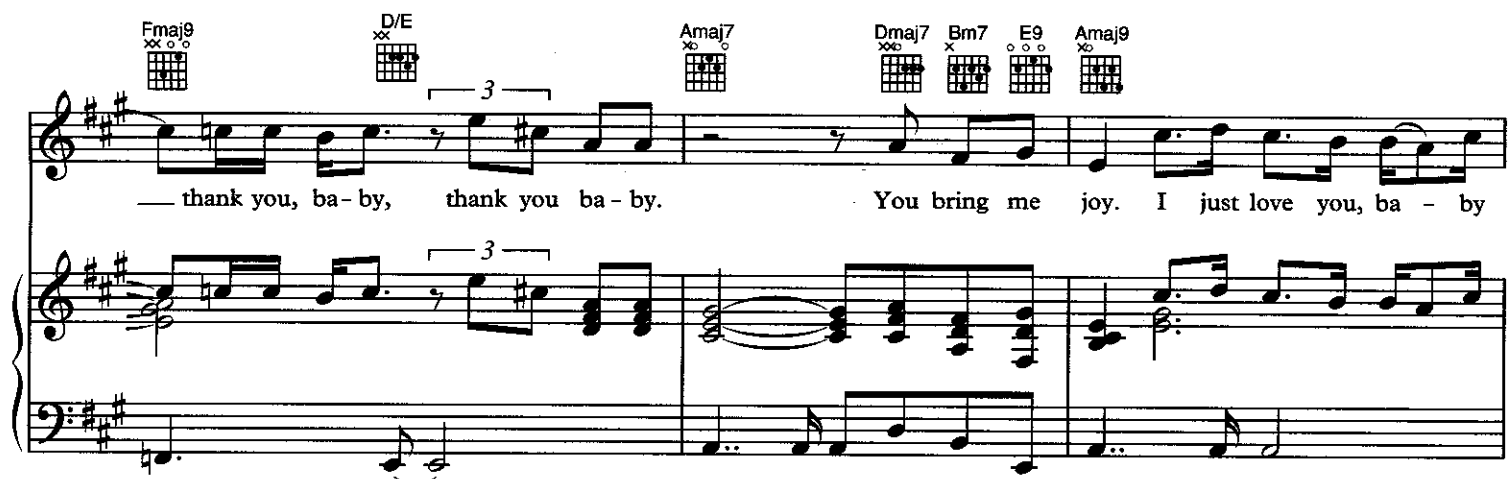

joy.— my joy.— Oh,—

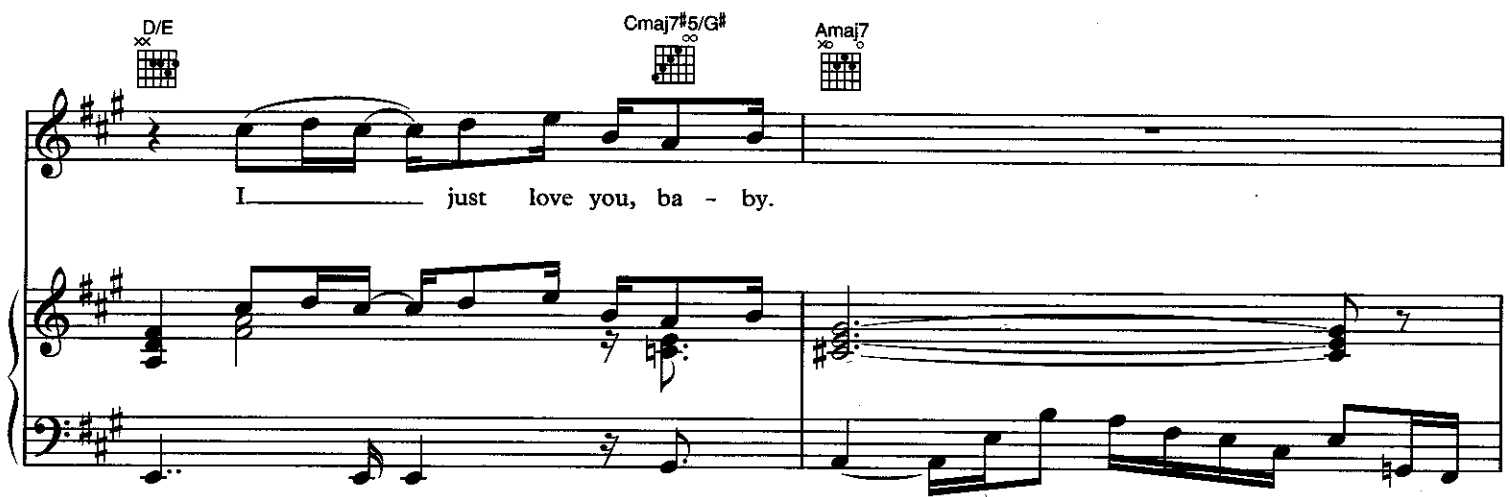

— thank you, ba-by, thank you ba-by. You bring me joy. I just love you, ba-by

I just love you, ba-by.

When I lose my way, your love comes smiling on me.

*Verse 2:*

You bring me joy  
 Don't go too far away  
 If I can't see your face, I will remember that smile

But can this be right  
 Or should we be friends?  
 I get lonely sometimes and I'm mixed up again  
 'Cause you're the best I've seen in all my life  
 You bring me joy  
 My joy, my joy

*Verse 3:*

I believe this is gonna be what you want it to be  
 I just love you, I just love you, can't you see  
 That you're the best I've seen in all my life  
 You bring me joy
