Intro: C Gm C Ab6 Bb7 C Dm7 C

I see us in the park strolling the summer days of imaginings in my head
 And words from our hearts told only to the wind felt even without being said

I dont want to bore you with my trouble but theres sumptin bout your
 love that makes me weak and Knocks me off my feet theres supmtin bout your
 love That makes me weak and Knocks me off my feet knocks me off my feet

I don't want to bore you with it Oh but I love you, I love you, I love you I
 don't want to bore you with it Oh but I love you, I love you, I love you more and more

We lay beneath the stars Under a lovers tree thats seen through the eyes of my mind
 I reach out for the part Of me that lives in you that only our two hearts can find

Intro: (D#m7 G#) x4 D#m7 F# G#

Oh so long for this night I've prayed That a star would guide you my way
 To share with me this special day Where a ribbon's in the sky for our love
 If allowed, may I touch your hand, And if pleased, may I once again
 So that you too will understand There's a ribbon in the sky for our love.

Solo: (D#m7 G#) x3 D#m7 F# A

This is not a coincidence, and far more than a lucky chance
 But what is that was always meant Is a ribbon in the sky for our love.
 Love, we can't lose with God on our side. We'll find strength in each tear we cry.
 From now on it will be you and I And a ribbon in the sky, ribbon in the sky,
 A ribbon in the sky for our love There's a ribbon in the sky for our love
